A WORD FROM THE PASTOR

Welcome to First Baptist Church of Cape Coral!

Be sure to visit our new church website at www.firstbaptistcapecoral.com. The new website is marvelous – a tremendous improvement. Pastor Jonathan put a lot of effort to coordinate this new site.

Also, "like" us on Facebook. We are getting more activity and visits to both the website and our Facebook page than previously. These are great sources of communicating with people and letting the community know who we are here at First Baptist Church of Cape Coral. Reflected on the website, Facebook, our bulletin and all of our literature is a new logo we put together for the new website.

The best connection yet – is still a personal invitation from a church member. Let people know about us!

—Pastor Jim
